**Cachaca :** \_Ka-sha-sa Brazilian white rum made from sugarcane.

The spirit of brazil, Brazilians consume 2 billion litres a year.

**Zubrowka Bison Vodka:** from the time polish noblemen began infusing their vodka in the 13<sup>th</sup> century with bison grass, its been rumored to be an aphrodisiac and potent agent for virility. Banned in this country since the late 1970s because of the medicinal properties of the grass that also gives the spirit its unique flavor.

**Caipirinha:** kay-pee-reen-yah (little countryside drink) Cachaca, sugar, lime, very refreshing
